The IRB has met and reviewed your project proposal, and its decision is marked above. Please review the appropriate text below for the decision that was rendered regarding your proposal:

Research approved: If your protocol has been approved, please note that your project has IRB approval from today for a period of one year and you are free to proceed with data collection. If this study continues unchanged for longer than one year, you will need to submit a **Request for Project Continuation** form. If this study continues for more than one year and there are changes to the research design or data that is collected, you will need to submit a **Request for Amendment to Approved Research** form. The IRB reserves the right to observe, review and evaluate this study and its procedures during the course of the study.

Conditional approval: If conditional approval is granted, you are allowed to proceed with data collection provided that the required modifications (see attached) are in place. You will need to submit a **Request for Amendment to Approved Research** form within 30 days. If this study continues unchanged from that amended protocol for more than one year, you will need to submit a **Request for Project Continuation** form. If this study continues for more than one year and there are changes to the research design or data that is collected, you will need to submit a **Request for Amendment to Approved Research** form.

Committee requests further information: Please see the attached document and use it to guide required modifications, then re-submit your request.

This proposal has been denied: See the attached document for an explanation of why your proposal has been denied.
