

Lake Erie College of Osteopathic Medicine  
Letter of Recommendation  
For the Master of Medical Science Program

**Instructions for the Letter of Recommendation**

**LECOM requires at least one letter of recommendation from science professors OR a Prehealth/Premed Committee letter from an undergraduate/graduate institution. We can also accept a letter from a supervisor in a medically related occupation**

Instructions for completing the Letter of Recommendation:

- Please include the full name of the applicant and last four digits of the social security number on the correspondence.
- In the letter, please include the following:
  1. Explain the applicant's relationship to you.
  2. Explain how long you have known each other.
  3. Address any disciplinary or academic probation actions you know of in regard to the applicant.
  4. Describe the applicant's strengths and weaknesses relative to his/her potential for becoming an effective physician.
  5. Give an overall impression of the applicant.
  6. Provide any additional information about the applicant that would be of interest when evaluating his/her application.

**Recommendations and official transcripts should be mailed to:**
