Telepsychiatry

About Us

Hims & Hers is a leading health and wellness platform on a mission to help people feel great. Whether this is through healthcare that feels like self-care or providing clinicians the opportunity to provide high quality care for patients on their own schedule, we are focused on helping the world feel great through the power of better health.

What's the Role?

You Health Medical Group is seeking board-certified psychiatrists to provide telehealth services to patients through the Hims & Hers telehealth platform. As a part of the team, you will work alongside top clinical advisors to deliver safe, high-quality mental health care to patients nationwide. Hims & Hers recently appointed Dr. Daniel Lieberman, M.D., as their Senior VP of Mental Health.
