

School of Medicine

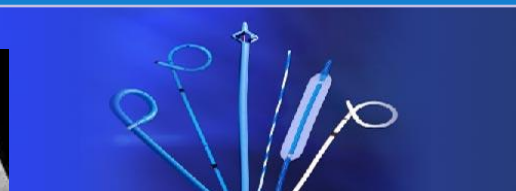

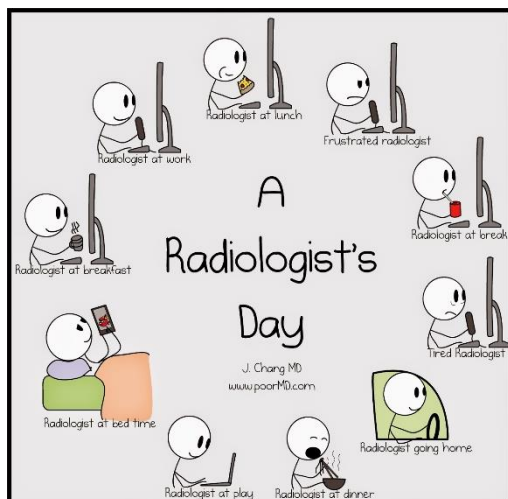

UNIVERSITY OF COLORADO  
ANSCHUTZ MEDICAL CAMPUS

The Radiology Interest Group (RIG) is excited to present:

# The 2<sup>nd</sup> Annual Interventional Radiology Symposium

Saturday, October 31<sup>st</sup>, 2015 | 8:30AM – 2:00 PM  
University Hospital, Inpatient Pavilion 1, Conference Room 2007

Radiology is not only  
about this...

Do you know what this is?  
Come and hear more!

Join us to learn more about interventional radiology – an exciting field within radiology! This event is open to non-medical students as well and will contain short clinical vignettes and hand-on activities to inform you of IR's role in multidisciplinary care. There will also be a discussion of the new IR residency. Breakfast and lunch will be served.

## Example Simulations and Short Vignettes

Ultrasound-guided needle biopsies

Ultrasound-guided line placement

Catheter deployed IVC filters/stents/coils

RSVP here by 10/25 for food:
