

Counseling Group Members of Color Sought for Research Study

I am conducting research on the experiences of people of color in counseling groups where events related to race/culture occurred and extend an invitation to you to participate.

Do you identify as:

- ✓ A person of color?
- ✓ Between ages 18-60?
- ✓ English speaking?
- ✓ Having participated in at least 4 sessions of a therapist-led counseling group in the past 3 months where an event related to race and culture occurred?
 - ✗ (Note: Self-help groups are not eligible for this study)

If you answered yes to all 4 questions, and you are interested in participating, please complete this brief demographic survey here: <https://www.surveymonkey.com/s/2RF6YTZ>

Participation

- Participation includes a brief demographic questionnaire and a 60-90 minute audio-recorded interview about your experience in group therapy and racial-cultural events that occurred in your group

Compensation

- Upon completion of the 60-90 minutes interview, participants will be compensated with a \$20 Amazon gift card

Contact

- If you have questions about this study, please contact Aziza Platt at abelcherplatt@fordham.edu

Researcher

- This study is conducted by Aziza Platt, a Ph.D. candidate in Fordham University's Counseling Psychology under the mentorship of Associate Professor Dr. Eric C. Chen.

Voluntary & Confidential

- Participation is voluntary, confidential, and low risk however you are free to withdraw at any time. This study has been cleared by the Institutional Review Board at Fordham University.
