

# A Research Study About Race Related Stress among Black Male Athletes

This research study is for anyone over the age of 18!

Research is always voluntary!

## Would the study be a good fit for me?

This study might be a good fit for you if:

- Between the ages of 18-100
- Identify as Black or African American
- Male
- **Current or former** participated in ANY Division I NCAA athletics.

## What would happen if I took part in the study?

If you decide to take part in the search study, you would:

- Complete a research survey
- **Survey only takes 20-25 minutes!**
- Survey is completely confidential & anonymous

**There may be possible benefits if you take part in the study.**

- Increase knowledge about race related stress
- Eligible to win a gift card!

**To take part in this research study go to:**
